

## END OF SUMMER 2019 PROMO

Summer is in full swing, and we've got a special offer to help your Q3 campaigns finish strong. We have three different packages to help you extend your campaigns across channels and platforms to find new customers and generate more revenue.

### FREE ACCESS TO MARIN

Take your search, social, and Amazon campaigns cross-channel with exclusive access to Marin Software's leading bid management platform, MarinOne. On average, MarinOne drives an increase of 13% lift in campaign performance. Spend at least 50% in programmatic of your search & social spend and receive free access to MarinOne.

### FREE LOCATION INTELLIGENCE & MEASUREMENT

Understand if, how, and when your campaigns drive customers in-store with free access to cuebiq's foot traffic attribution\*. Or, access cuebiq's premium historical data segments at the same price you normally pay for 3rd party data (\$1.50 CPM) to connect with consumers who have recently visited a location, to build loyalty and drive incremental revenue.

*\*cuebiq requires at least 4.5MM impressions to give a read on foot traffic lift.*

### FREE HIGH-IMPACT CREATIVE SET

Diversify your brand exposure and receive a complimentary set of compelling advertising creatives for your campaign. Alternatively, you can receive 15% added value impressions on standard programmatic channels.\*

*\*Applies to advertisers spending a minimum of \$50K by October 31st.*
